Dear Parents, Caregivers and Children

The Leuven Project – Enhancing Catholic School Identity
As mentioned in last week’s newsletter Sts Peter and Paul’s School will take part in the Brisbane Catholic Education strengthening Catholic Identity initiative. A small number of schools will begin the process of Identifying and Enhancing Catholic Identity through a variety of surveys developed by the Catholic University of Leuven, Belgium.

The goal of this project is to assist schools as they endeavour to better understand how their Catholic identity is expressed in work and practice and to then support schools in their future development. The main questions being explored through the survey are:

- How is Catholic identity lived and shaped in the school (current reality)?
- How would the school like to see its Catholic identity expressed (preferred future)?
- What potential is present in the school to realise its preferred Catholic identity?

To meet this goal and to answer these questions, the involvement of school staff, students and their parents is required.

As part of the School Improvement Cycle, each school engages with the data from their surveys to assess their Catholic identity and then explore the means by which this identity might be enhanced.

Participation in four online surveys and a profile questionnaire enables each participating school to gather responses from students, staff and parents. Insights gained from this important data enriches the preparation for our participation in the review process including School Improvement Plan and the subsequent annual action plan for the school.

Going home as a hard copy and attached to this week’s newsletter is further information about the project. We would like to offer an incentive to say thank you to our parents for taking the time to complete this very important survey. The class with the highest number of parents completing the survey will receive a Pizza Party and from this class a special draw will take place with one family receiving a Family Movie Pass. To be eligible to go into the draw, the survey must be completed by the end of the first week of the holidays, namely, Friday 4 July and the completion slip from the survey will need to be returned to Dee French in the School Office which will then be placed in the draw.

The information required to access the survey is as follows:

ENTRY CODE to all respondents is:
Sts Peter & Paul’s School, Bulimba - 988f98
URL: www.schoolidentity.net
General access password: Ghj654
Follow the instructions on the screen.

Select the correct school by inputting the ENTRY CODE mentioned above. Alternatively, a respondent can select the school by means of the dropdown list as well.

I thank you very much in anticipation for your commitment to this project.

Term Two School Fees and Levies
Thank you to all those who have been so prompt in paying Term Two School Fees and Levies. Camp fees for Years 5, 6 and 7 were also due this term and are now overdue. It would be appreciated if these accounts could be settled before the holidays which commence on Friday, 27 June. All families experiencing difficulties are asked to make an appointment to see the Principal.

Let us pray that God will give us the grace to follow Christ. God, our hope and strength, do not let us falter as we strive to follow your will. We ask this through Christ our Lord. Amen.

APRE News – Mr Brendan Schostakowski

REFUGEE WEEK 15 – 21 JUNE
The theme for Refugee Week from 2012 to 2014 is Restoring Hope. The theme reminds us that, while a refugee’s journey begins with danger, it also begins with hope. Refugees flee their homelands not only because they fear persecution, but also because they have hope: they hope to find freedom from persecution, and safety and security for themselves and their families; they hope to be given a chance to start a new life and recover from past trauma.

Pope Francis, in his message for the 100th World Day of Migrants and Refugees, wrote: “Migrants and refugees are not pawns on the chessboard of humanity. They are children, women and men who leave or who are forced to leave their homes for various reasons, who share a legitimate desire for knowing and having, but above all for being more… Every human being is a child of God! He or she bears the image of Christ! We ourselves need to see, and then to enable others to see, that migrants and refugees do not only represent a problem to be solved, but are brothers and sisters to be welcomed, respected and loved.”

For I was hungry and you gave me something to eat.
I was thirsty and you gave me something to drink.
I was a stranger and you invited me in. (Matthew 25:35)

THANK YOU!!
Thank you very much for the many food items that have been sent in so far for our Rosies appeal. Your response to help those in need in our local community has been excellent and we encourage you to continue sending along any of the items mentioned until next Wednesday. A representative from Rosies has been invited to our school assembly next week to receive all the goods that have been donated.

Please continue to send along any of the following items that will assist Rosies fulfill their mission of working with the homeless: Tea bags, coffee, sugar, Milo, packets of cuppa soup, cordial, toothbrushes, toothpaste, second hand blankets and sleeping bags in good condition.

FEAST DAY CELEBRATIONS
Next week, on Thursday 26 June, we celebrate our school feast day beginning with a whole school Mass at 9am. After the mass students will be involved in a variety of activities that promote play and spirit. Our Year 6 and 7 Senior Leaders are currently planning these house based activities with Mrs Conaghan and we wish them success in their organisation and preparation. Please refer to the attachment in today’s newsletter for further information.

Wishing you God’s blessings for the coming week.
Brendan.

APA News...Mr Damien Sullivan

Being safe after school
This is a little reminder for all families that the school grounds are not a place for playing after school. Most afternoons after school there are groups of students and toddlers who are using the undercroft and the adventure playground for playing while waiting for parents. Using the grounds for playing without teacher supervision is not permitted and we ask that after school students promptly make their way home.

Naming Children’s Belongings
We ask that parents please check their children’s belongings to see that they are named and have this year’s class. In particular hats, jumpers, lunch boxes and drink bottles are turning up in the lost property with last year’s details which makes it more difficult for our helpers to get them back to their rightful owners. Thanks for your help with this.

Cyberbullying
A teaching colleague passed on to me an article from the Sun Herald, the sentiments of which I believe warrant sharing. The headline immediately caught my attention: “Bullies take sticks and stones from playground to internet.”

Studies reveal that cyber bullying continues to be on the increase with obvious damaging consequences for our children. The major tools for this type of behaviour are the mobile phone and internet. The use is now so sophisticated that a new language is evolving.
In cyberspace technology and language, many adults are unaware of the terms, flaming; online denigration; masquerading and outing. I found it quite unnerving to think that I work each day in a large school and yet could be so unaware of these practices. The speed at which the technology age is moving is exciting on the one hand, but disturbing on the other.

As pointed out by Michael Carr-Gregg, one of Australia’s leading psychologists and spokesman for the National Coalition Against Bullying… “parents are typically ignorant of these potentially devastating new bullying methods.” According to Carr-Gregg, a person’s “Buddy List” (the contact list on one online chat program) is a social indicator of that person’s status. Of course, the larger the lists, the greater potential for harm and misuse. Carr-Gregg argues also that cyber-bullying is even more harmful than the traditional schoolyard bullying as the subject cannot readily access someone such as a teacher to report to.

Carr-Gregg urges a joint approach to the problem. He suggests that parents and internet service providers actively work together against cyber-bullying. He writes:

“My one plea to parents is to do something about children’s computers in their bedroom. Put it out into the main part of the house. In this way supervision is easier and interception of incorrect use is more likely to be a reality. The time spent can more easily be monitored and sleep patterns will not be disturbed by its use. There is no argument that if used well, modern technology is a very valuable asset to our way of life. However parents are challenged to be extra careful in providing these “tools” for children who may not have the maturity to use them wisely.

Playground Champions

Congratulations to Nikita (2Y), Ava (3R), Charlotte (2B), and Lucca (3B) who were drawn out of the box as Playground Champions at our last assembly. They have been helping our school to be a happy and safe place for students. All the best for the week ahead.

Have a great week,

Damien Sullivan

‘Rosies – Friends on the Street’ Winter Collection
Rosies is a group of volunteers helping those less fortunate than us who live on the streets. Through using street vans, volunteers give food to the less fortunate in the community. These street vans operate five nights in a week in different places throughout Brisbane city and other parts of Queensland.
This year, we are asking the Sts Peter and Paul’s community, to donate the following items for those less fortunate:
- milo
- tins of coffee
- boxes of cup- a- soup sachets – No cans
- sugar
- cordial
- toothbrushes
- toothpaste
- second hand blankets and sleeping bags in good condition

These foods and other items will be collected on the 25th of June.

Every week 1500 people visit the Rosies street vans across Queensland. Most feel like they have no one left to rely on and others feel abandoned in the community. Your donations of these items above will make a big difference in the lives of these less fortunate people.

KIRIBATI – Making A Connection with Mothers and Children.
Sr Mary Randle will be holding an information evening about the pacific island of Kiribati on Thursday, 19th June at 6.30pm in the Parish Hall. The aim is to learn about the Early Childhood Centre on the island and connect with the mothers and children who attend this centre and build up supportive friendships, possibly through letters by sharing ideas, photos and learning about each other. It is hoped this could offer a mutual benefit to the mothers and children of both Kiribati and the Parish of Sts Peter and Paul.

This is a very easy way to help make a difference to the lives of others. We hope you can make it to the information evening on Thursday 19th June at 6.30pm in the Parish Hall.
