Dear Parents, Caregivers and Children

Sts Peter and Paul’s Feast Day
On Thursday, 26 June at 9.00am in the Church, the students and staff from Prep - Year 7 will be celebrating our Sts Peter and Paul’s Feast Day Mass. Parents, friends and family members are most welcome to join us for Mass together with the activities occurring throughout the day. A timetable of the day’s activities is included in the newsletter.

We remember the witness of Saints Peter and Paul. Let us pray for all who follow the way and life of Jesus. Sustain us, O God, through the prayers of Peter and Paul. Strengthen us to be your witnesses and fearless proclaimers of the gospel. We ask this through Christ our Lord. Amen.

The Leuven Project – Enhancing Catholic School Identity
Thank you to the parents who have already completed the survey on Enhancing Catholic School Identity. As mentioned in last week’s newsletter we would like to offer an incentive to say thank you to our parents for taking the time to complete this very important survey. The class with the highest number of parents completing the survey will receive a Pizza Party and from this class a special draw will take place with one family receiving a Family Movie Pass. To be eligible to go into the draw, the survey must be completed by the end of the first week of the holidays, namely, Friday 4 July and the completion slip from the survey will need to be returned to Dee French in the School Office which will then be placed in the draw. For your convenience, the information required to access the survey is as follows:

ENTRY CODE to all respondents is:
Sts Peter & Paul's School, Bulimba - 988f98
URL: www.schoolidentity.net
General access password: Ghj654
Follow the instructions on the screen.

Select the correct school by inputting the ENTRY CODE mentioned above. Alternatively, a respondent can select the school by means of the dropdown list as well.

I thank you very much in anticipation for your commitment to this project.

Semester 1 Written Report and Parent/Teacher Interviews
Written reports were sent home to parents last Friday. Parent/Teacher interviews continue to be held this week. If you are unable to make your scheduled appointment time with your child's teacher please telephone the school office.

Queensland College of Teachers (QCT) Excellence in Teaching Awards
Nominations are now open for the annual QCT Excellence in Teaching Awards. Registered teachers from State, Catholic and Independent schools are eligible for nomination in four award categories. Nominating a teacher for an award is recognition of their achievements that enrich the school community. Further information including key dates and nomination forms can be found on the QCT website. Nominations close on 23 July and awards will be presented on World Teachers' Day on 31 October.
Term Two School Fees and Levies

Thank you to all those who have been so prompt in paying Term Two School Fees and Levies. Camp fees for Years 5, 6 and 7 were also due this term and are now overdue. It would be appreciated if these accounts could be settled before the holidays which commence this Friday, 27 June. All families experiencing difficulties are asked to make an appointment to see the Principal.

With the first semester almost behind us, we would like to acknowledge all the wonderful work achieved by each member of our school community, including staff members, students, parents and volunteers. Your dedication to learning and teaching is much appreciated. We wish you a very safe and relaxing holiday and look forward to seeing you again in the second semester. School resumes on Monday 14th July.

Peace and Best Wishes

STS PETER AND PAUL’S FEAST DAY

On Thursday June 26 we will be celebrating our school feast day. This will begin with a whole school Mass at 9am. Family members are very welcome to join us for this Eucharistic celebration. Following the Mass students and staff will be involved in a variety of activities throughout the day - a big thank you to Mrs Lyndall Conaghan and the Feast Day Committee for their efforts in making this a special day for the students. This year we have introduced a new art activity which will be displayed in the Good Samaritan Hall for the remainder of the year. Thank you to Sophie O’Meara for organizing this and to all the students and teachers for contributing their work. Another big thank you must go to those parents who will be helping out with the hamburgers.

Saints Peter and Paul

Each of these men was a great leader of the Early Church and they eventually became martyrs who gave their lives for the Church. The actual feast day of our patron saints Peter and Paul is the 29th June.

Saint Peter, one of the Twelve Apostles whom Jesus chose as his original disciples and originally named ‘Simeon’, was a Galilean fisherman to whom Jesus gave a leadership role. His life is prominently featured in the New Testament Gospels and the Acts of the Apostles. The Roman authorities sentenced him to death by crucifixion, and he was reported to have asked to be crucified head down. In art works he is often shown holding the keys to the kingdom of heaven, in reference to his leadership role.

Saint Paul was one of the Church’s early missionaries. Paul had not known Jesus during his lifetime, but he became a Christian when he received a vision as he travelled the road to Damascus. Paul is thought to have written thirteen of the letters in the New Testament. His letters contain the earliest systematic account of Christian doctrine, and provide information on the life of the infant Church. A great traveller, his letters were mainly written to Churches which he had founded or visited.

May our hearts be filled with joy as we honour these two great apostles: Peter, our leader in the faith, and Paul, its fearless preacher.

Lord our God, you give us the joy of celebrating the feast of the apostles Peter and Paul. Through them your Church first received the faith. Keep us true to their teaching.

Holy Apostles Peter and Paul, pray for us!

ROSIE’S APPEAL THANK YOU!!

Thank you so very much for the many items that have been sent in for our Rosie’s appeal. Your generosity in assisting those in need in our local community has been outstanding. A representative from Rosie’s has been invited to our school assembly on Wednesday to receive the donated goods. The Sts Peter and Paul’s Care and Concern Group is to be congratulated on their initiative in promoting this appeal, providing our community with another opportunity to truly follow in the footsteps of Jesus.

PARISH INVITATION TO YEAR LEVEL MASS – YEAR 2

Year 2 students will receive a special invitation from the parish to celebrate Mass at 8am on Sunday July 20. The Year 2 students will receive a special blessing from Father Tom at the conclusion of mass. You are then invited to join the community for Morning Tea in the parish hall. We look forward to seeing the Year 2 children and their families at this special celebration.

Wishing everyone a safe and relaxing holiday break.
God bless,
Julie Thompson (Acting APRE)
APA News...Mr Damien Sullivan

This Thursday 26th June we will be holding our school Feast Day celebrations. Throughout the day the students will take part in special House Team events so we ask that they come to school wearing their house-coloured shirt. The day will commence with a whole school community mass which will be followed by games, activities, challenges, colouring competitions and plenty more for the children. An iceblock will be provided for morning tea. During their special activities the students will accrue points for their House Teams and a shield will be presented to the most successful House at the conclusion of the day. A timetable of events is included with today’s newsletter. Parents are most welcome to come along and join in the festivities on the day and we look forward to enjoying the day with you.

Safety Before School

With work continuing around our school in areas like the tuckshop it is more important than ever for school staff to know that students are in areas where they can be supervised. To ensure the safety of everyone, each morning before school there are teachers on duty in three key areas from 8.20am until the commencement of school.

Prep and Year 1: to meet in the adventure playground before school each morning.

All other classes: to meet in the undercroft.

Library: the library will be open every morning from 8.20am. Please note that supervised duty is from 8:20 to 8:40am and we strongly discourage children from arriving at school before that time. All children who are at school before 8:20am, even those with parents, must sit quietly in the undercroft. Children at school before 8.00am should be attending Outside School Hours Care.

Uniforms

It is pleasing to see so many children continuing to wear the school uniform with pride. Should your child not be able to wear the correct uniform it would be appreciated if a note could be sent along with your child.

Lost Property

It’s that time of the year again … one minute its hot the next its cold. That means jumpers are coming on and off as well and left behind all over the school. To make sure your jumper comes back, please name all school clothing! Please remember to check the school lost property on the table in the undercroft should you have any lost items.

Room for Growth

From time to time I like to share a quote that I feel as parents we need to remember (Happiness, E. Monkton, Harper Collins, 2007). From the “butterfly of freedom”:

“Why do you fly outside the box?”

“I fly outside the box because I can.”

“But we know the box. We are safe inside the box.”

“That, my friend, is why I leave it. For you may be safe…..But I AM FREE!”

The quote touches a chord with me because it speaks of risk-taking and exploring and experiencing all that life has to offer. Whilst nurturing and supporting our children it is important to also allow them to leave the safety of the “nest”; for the butterfly to emerge from the cocoon and experience all the inherent joy and satisfaction. It is also vital to allow children to make the mistakes and feel the discomfort that comes as a consequence. This is not to suggest the mistakes are welcome or to be celebrated but rather seen as opportunities for growth. Remember, “children aren’t made of china” (Children Aren’t Made of China, McCaskill, 2002)

Playground Champions

Congratulations to Charlotte (2B) and Danielle (3B) who were drawn out of the box as Playground Champions at our last assembly. They have been helping our school to be a happy and safe place for students.

All the best for the week ahead.

Assistant Principal

‘Rosies – Friends on the Street’ Winter Collection
Rosies is a group of volunteers helping those less fortunate than us who live on the streets. Through using street vans, volunteers give food to the less fortunate in the community. These street vans operate five nights in a week in different places throughout Brisbane city and other parts of Queensland.
This year, we are asking the Sts Peter and Paul’s community, to donate the following items for those less fortunate:

- milo
- tins of coffee
- boxes of cup- a- soup sachets – No cans
- sugar
- cordial
- toothbrushes
- toothpaste
- second hand blankets and sleeping bags in good condition

These foods and other items will be collected tomorrow 25th of June.

Every week 1500 people visit the Rosies street vans across Queensland. Most feel like they have no one left to rely on and others feel abandoned in the community. Your donations of these items above will make a big difference in the lives of these less fortunate people.

**HONOURING THE PAST**
The church of St Peter and Paul is almost 90 years old. At a time when new public buildings in our area were modest timber structures (picture theatres and ferry terminals), the Catholic community built this magnificent structure in brick. For a working-class suburb, it was a huge effort to pay off the debt during the Depression and the War. But they did it because they were committed to the parish and its future.

Today we are the beneficiaries of their generous forethought. Many changes have been born into being, together in love have pledged fidelity in marriage, families have been as they renewed and committed to God’s care those who have died. Still today people are blessed by God in this holy place.

**GIVING TO THE FUTURE**
However the church is in a serious state of disrepair. The brickwork is crumbling and needs repointing ($175,000). A new roof is needed to stop water pouring down the wall ($350,000). Plant potting ($70,000). The lighting and sound system are at the end of their life ($35,000). The carpet is brittle and fraying ($50,000). Facilities need refurbishment ($75,000). The pews however remain in good condition and retain the original memorials ($50,000).

All together, these and other church restoration costs add up to $1,111. The church needs to stand ready to continue its role in people’s lives in the coming decades.

The project is not just about a building.
It is about the life and worship of the parish community.
What will we hand on to the next generation?

**YOU CAN HELP**
Thank you to the generous leadership of some people in the parish, we are already well on our way to our finishing target of one million dollars. To reach our goal, we need 1,111 people who will contribute $1000 a year for three years. Or 111 people who will contribute $10,000 a year for three years.

Can we be as generous today as our founding families were 90 years ago?
