Dear Parents, Caregivers and Children

Lent
This year the Archbishop’s Pastoral Letter for Lent is titled Preparing for Joy … A Lenten Examination of Conscience. “The joy of the Gospel fills the hearts and the lives of those who encounter Jesus”: with these words, Pope Francis begins his Apostolic Exhortation, The Joy of the Gospel, which I want to be the charter of the Archdiocese of Brisbane as we shape the future that Jesus wants. True joy belongs to the Risen Lord and therefore to Easter, which is why Lent is a preparation for joy. It’s preparation for a new encounter with the Risen Lord who wants to share his joy with us, but also a preparation for a new encounter with other human beings, especially those who have least. They too open the doorway to joy. “Examination of conscience” is a phrase with a long pedigree. It speaks of a time – perhaps even daily – when we stand before the truth of our life beyond all denial and self-deception, acknowledging before the God of mercy that we have failed. As a period of preparation, Lent is a privileged time to examine our conscience. It’s a time to sift our heart in order to see more clearly what it is that holds us back from encountering Jesus and each other, what it is that blocks our way to joy. As we begin the Lenten journey, I offer an examination of conscience in which the words of Pope Francis will lead us. I take the Holy Father’s words and then pose a few questions for you to ponder. The questions are addressed to you individually, but we make this examination of conscience together because all of us have sinned and all need forgiveness. We’re all in this together.

POPE FRANCIS
“One of the more serious temptations which stifles boldness and zeal is a defeatism which turns us into querulous and disillusioned pessimists, ‘sourpusses’” (85)

- Am I a disillusioned pessimist, quick to quarrel with others?
- Am I a ‘sourpuss’, quick to be negative and to condemn others?
- Am I a defeatist, too ready to raise the white flag, as if any attempt to proclaim the Good News is doomed before it starts?
- Have I deep down given up on myself, other people, the Church, the wider society, the world, God?

POPE FRANCIS
“Sometimes we are tempted to be that kind of Christian who keeps the Lord’s wounds at arm’s length...looking for those personal or communal niches which shelter us from the maelstrom of human misfortune” (270)

- Do I protect myself against inconvenience or discomfort, let alone pain or suffering for the sake of the Gospel, wanting Easter but not Calvary?
- Do I look for a cosy niche, either personal or communal, which can protect me against the needs, the anxieties, the sufferings of others?
- Do I see the Church as a comfy place for me to be rather than a field-hospital for the wounded whom we are called to tend?

Healthy Food
Health experts regularly remind us of the importance of having a good breakfast and a nutritional lunch to help give children the best opportunities to learn while at school. Please ensure that your child has a healthy lunch and morning tea packed each day. Particularly in the younger grades, our students are encouraged to eat fruit and yoghurt first before eating other foods packed in their lunchboxes.

Have a great week.

LENTEN PRAYER ASSEMBLY AND PROJECT COMPASSION

This week Year 3 will lead our Lenten Prayer with the theme of FORGIVENESS. In each person's life there are times we need to forgive ourselves and to forgive others. Often, people do not mean to hurt us – it just happens. We need to ask Jesus to forgive us for the times we have hurt other people and we need to ask for God's help to forgive others for the times they have hurt us.

Thank you for your generous response towards Project Compassion and please continue your support during these last weeks of the term.

Together we can help the poorest of the poor live a life of dignity. We can help them become self-sufficient so they don't need to rely on charity; we can help them go to school and learn better ways to farm using sustainable agriculture techniques; and we can help them support their family and community.

Every day, Caritas Australia supports people in need around the world by assisting them to break free from the cycle of poverty, regardless of their ethnicity, political beliefs, gender or religion.

SACRAMENTAL PROGRAMS

Congratulations to the Year 3 children who experienced their First Reconciliation last week, and a special thank you to the parents who journeyed with their children and helped them during the weeks of preparation. It was a very busy week for Fr Tom and the Parish Sacramental Team as over 100 children celebrated the sacrament over Tuesday, Wednesday and Thursday evenings.

The Year 4 children continue their preparation for the sacraments of Confirmation and First Holy Communion which will be celebrated during the Archbishop's Pastoral visit on the weekend of 26 and 27 April.

As a faith community we keep these children and their families in our prayers.

FEAST OF THE ANNUNCIATION 25 MARCH

At the Annunciation, the angel Gabriel announces to Mary that she will conceive a Son, and his name will be Jesus. The angel's greeting, "Hail Mary, full of grace, the Lord is with you", begins the prayer we know as the “Hail Mary”. Mary's response to the angel, "Behold, I am the handmaid of the Lord; let it be done to me according to your word", is a statement of humble faith, and a model for how we are to respond when God calls us to do what seems impossible.

FOURTH SUNDAY OF LENT GOSPEL OF JOHN 9:6-12, 35-38

This Sunday, 30 March, is the fourth Sunday in Lent. The gospel account for the fourth week of Lent tells the story of a man born blind being healed by Jesus. Things such as jealousy, pride or a lack of empathy can prevent us from seeing the graciousness of others. The message of the gospel is that Jesus can transform our blindness and help us to find beauty and goodness in others.

The following extract from ‘A Gift For God’ by Mother Teresa reminds us that “to be a true Christian means the acceptance of Christ, and the becoming of another Christ one to another. To love as we are loved, and as Christ loved us from the cross, we have to love each other and give to others.”

This Lent, we pray that we will become more like Christ by accepting Jesus in our lives:

As the Truth – to be told;
As the Life – to be lived;
As the Light – to be enlightening;
As the Love – to be loving;
As the Way – to be walked;
As the Joy – to be given;
As the Peace – to be spread;
As the Sacrifice – to be offered;
In our families and our neighbours;
In our classrooms, in our school.

Throughout this week may we strive to be Christ to others, to find the beauty and goodness in others.

Wishing you God's blessings for the coming week.
Brendan.

Mathletics

For 2014 our students have again been signed up to become Mathletics users – all classes from Prep to Year 7. This valuable resource is both fun and educational and assists students in the development of their mathematics skills. The site may be accessed from home and is internet based. Last year many students loved working through the activities and teachers reported that student confidence, skills and mathematics knowledge and understanding developed through participation in the program.
For our new users to the program – Mathletics is first being introduced in class time, and as confidence and familiarity with the program grows, passwords will be sent home with students next term. Thank you for your support in this curriculum initiative.

**Pick-up line reminder**

A reminder for parents that our pick-up lines are located within the two minute parking zones on Alexandra Street and Collins Street therefore parents should not wait in those areas at the end of the school day for more than that time. One problem that is occurring recently is when parents begin queuing up for the pick-up line before 3.00pm the line begins to block traffic that is attempting to travel along these streets to find a parking spot or neighbours returning to their homes. For these reasons we ask parents to please not park in the pick-up lines until after 3.00pm.

Parents should also consider delaying the collection of their children from our pick-up areas in the afternoon. Our students are supervised in these areas until 3.20pm each afternoon and collecting children is a much easier and quicker process at 3.10-3.15pm.

We appreciate your assistance in keeping the traffic around the school flowing in the morning.

**Lost Property**

As we reach the end of Term 1 our lost property bundle has grown. We have quite a collection of school hats, drink bottles and lunchboxes without names marked on them. We urge parents to please ensure names are clearly marked on items brought to school and to discuss with their children the importance of being responsible for items that they may take off or leave in the playground during the school day. Students and/or parents should check the lost property box in the undercroft if something has been misplaced.

**Playground Champions**

Congratulations to Iris (1R), Alistair (2Y), Sophie (2Y) and Spencer (2Y) who were drawn out of the box as Playground Champions at our last assembly. They have been helping our school to be a happy and safe place for students.

All the best for the week ahead!

**First Holy Communion and Confirmation**

SHOEBOX APPEAL

The Parish of Sts P&P would like to invite you to be a part of a social justice project for children in need. The Shoebox Appeal for Operation Christmas Child will enable the children and families in our parish to bring joy to the lives of children less fortunate.

Families who would like to contribute are asked to collect small items (eg. toys, clothes, hair accessories, pencils, toothpaste, soap etc) to fill a standard sized shoebox for children in need in South East Asia (Thailand, Vietnam and Cambodia) and the Pacific (Samoa, PNG, Fiji, Vanuatu).

Once the shoebox is filled, it can be taken to our school office or parish office. The shoeboxes will then be delivered to the Brisbane Collection point. Arrangements will be made for them to be shipped to a child in need in time for Christmas 2014.

Shoeboxes can be taken to the school or parish office until the end of Term 3.

Steps involved:
1. Choose the age bracket of the child you are collecting for ie. 2-4 years, 5-9 years or 10-14 years BOY or GIRL
2. Collect the items eg. clothes, teddy, doll, craft kits, etc. (See over the page for further details)
3. Cover the shoebox with Christmas wrapping paper (optional) then fill with items AND attach the age label on the box
4. Include a note for the child (optional)
5. Deliver the filled shoebox to the school office/parish office.

This is an easy and wonderful way to encourage our children to think of others and discover the joy of giving.
