Dear Parents, Caregivers and Children

This week we will farewell two staff who have made an amazing contribution to learning and teaching at Sts Peter & Paul’s School. Our Teacher Librarian, Mrs Terry Ballentine after 6 years of dedicated service will return to the States. Terry has worked tirelessly in the Library and will certainly be missed by the staff, students and parents. Terry’s generosity and commitment is beyond words, so we wish her well as she returns home to enjoy family and the many grandchildren who have been born while here in Australia. Our wonderful Prep Teacher Aide, Jenni Wright who has been with us for 6 years will have her last day with us tomorrow. Jenni has been a wonderful support to the teachers and families of our Prep students as they embarked on a new educational journey. Jenni will certainly be missed for her creativity, thoughtfulness and enthusiasm at many levels within the school. We wish Terry and Jenni all the very best in their new endeavours and sincerely thank them for all that they have contributed to the school.

Parents & Friends AGM
Thank you to the parents who attended the Parents and Friends Annual General Meeting last Wednesday evening. I would like to thank the Executive Committee for 2014, namely, Terry Shaw (President), Peter Willcox (Vice President), Caine Barends (Treasurer) and Leonie Flynn (Secretary) for their commitment of time, energy and leadership throughout the year. The P & F have once again made a significant contribution to the school, in order to benefit the learning and teaching environment for the children at Sts Peter & Paul's School. Elections for office bearers for 2015 were held and congratulations are extended to Adam Cairns (President), Ken Gargan (Vice President), Caine Barends (Treasurer) and Vicki Loadsman (Secretary). Terry Shaw has filled the position of President for the last three years and I sincerely thank Terry for his dedicated leadership and commitment to the role. I also acknowledge the significant contribution of Peter Willcox and Leonie Flynn in their roles on the Executive. Participating in the P & F is a very rewarding experience that is highly valued by the school community.

Sandra Riley who was a Teacher Aide at our school for over 20 years who died peacefully on Monday.
May they rest in Peace. Amen.

**Advent Begins**
The season of Advent begins next Sunday, the time in the Church year leading up to Christmas, the celebration of the birth of Jesus, and the beginning of the new liturgical year. In our complicated and busy lives this wonderful season of reflection and anticipation runs the risk of being lost to us. We become caught up in the mad rush which accompanies the end of the school year and in the festivities of a Christmas yet to come.

I think Advent is a beautiful and reflective season – focused on waiting for the child Jesus and celebrating the Incarnation of God-with-us in human form. The scripture readings during Advent encourage us to “stay awake”, “watch” and “prepare”. There is a sense of great anticipation and hope.

When Advent begins on Sunday the first of the Advent candles will be lit. When this candle is lit we are saying, in the face of all around us which suggests the contrary, that God is alive and with us. I hope in the next few weeks you can find the time to immerse yourselves in the beautiful scripture readings and prayers of the Advent season.

Peace and Best Wishes
Sr Ann-Maree Nicholls, sgs

**Student Medications**
If your child has Medication held at the School Office these must be collected by Friday 5th December.

We have recently sent home a letter to all relevant families requesting that medication be collected by NO LATER THAN 12:00pm on the last day of School.
APRE News – Mr Brendan Schostakowski

SENIOR LEADERS LITURGY OF THANKSGIVING

Over the last few weeks the Year 6 and Year 7 students, with their teachers, have been busy preparing for their Graduation celebrations. The Senior Leaders for 2014 will be celebrating with a special Liturgy on Wednesday 3 December beginning at 6.00pm in the Church.

Please keep these students in your prayers as they come to the end of their Primary schooling and look forward to new challenges that await them in High School. The theme chosen for this year’s celebration is “Gratitude in Bloom”.

The students have composed a Creed of Gracious Gratitude for their Graduation Liturgy:

We believe that God has called us into this world for a purpose, which we can discover only in prayer and in loving service to others.
We believe in the gift of parents and in giving thanks for all they have done through happy and difficult times to bring us to this day.
We believe in our teachers, principal and support staff who have been given the wisdom, knowledge and patience to guide us through our primary school years.
We believe that we are a sacramental people, called to fullness of life through Baptism, to be strengthened, nourished and renewed through Confirmation, Eucharist, and all the sacraments.
We believe in the gift of being a community of faith, led by our Church, parents and teachers.
We believe in the gift of joyful living through play, laughter and sharing in our school.
We believe that God has gifted us with unique gifts, and He knows what we are capable of becoming.
We believe in practising social justice as witnesses to God’s Kingdom, preached by Jesus our Lord.
We believe in God the Father, in Jesus Christ His Son and in the Holy Spirit. We believe that God loves us and will continue to bless us as we move on to the next stage of our education.

END OF YEAR SCHOOL MASS

Our final whole school Mass for the year will be celebrated on Friday 5 December commencing at 9.30 am in the Church. All family members are welcome to join us as we give thanks for the many blessings we have received throughout 2014.

THE SEASON OF ADVENT

The Season of Advent begins this Sunday 30 November, which gives us very little time as a school community to focus on this season of the Church’s calendar. Advent is the beginning of a new Liturgical Year and begins the journey to Christmas and ultimately to Easter.

What is Advent about?

Advent is the SO WHAT season. We sing songs and tell stories about the birth of Jesus – so what?

We celebrate the fact that Christ became one of us, fully human – so what? What difference does this make to my life? This is a crucial point upon which to reflect – what difference does Jesus make in our lives?

We celebrate the fact that Jesus is still present amongst us – but where? And how do I recognise him?
Matthew 25: 31-46 has the answer. “I was hungry and you fed me, I was a stranger and you welcomed me, naked and you clothed me. I was sick and you took care of me, in prison and you visited me... I tell you whenever you did this for one of the least of these brothers and sisters, you did it for me.”

SO WHAT? If Christ is present in our neighbour – how should we treat that neighbour? If Christ is present in each one of us – how should we treat ourselves? The implications are enormous. If I could truly see the face of Christ in the person beside me – what would I do?

(adapted from ‘Sacred Celebrations for Advent and Christmas’ by Rina Wintour)

Wishing you God’s blessings throughout the week.

APA News...Mr Damien Sullivan

1 to 1 Laptop Program Parent Night
Early in November an Information Evening was held for the parents of our Year 5 students for 2015 to outline the 1 to 1 Student Laptop Program. In recent years, the school has committed to enhancing teaching and learning through integrating Information and Communication Technologies (ICTs) at Sts Peter & Paul’s via an action plan that accompanies our annual School Renewal Plan.

Since 2012 a significant focus for us has been the 1 to 1 Laptop Program to our upper year level classes. 1 to 1 learning provides every student access to his or her own laptop computer in a wireless environment allowing students to learn at their own pace and ability levels. 1 to 1 initiatives have gained momentum, worldwide, and are increasingly seen as a key to transforming education and better preparing students to succeed in a global world. This year our Year 5, 6 and 7 students have successfully used their laptops to create, do research, homework, problem solve, team projects, collaborative tasks, day to day subject work and access a wealth of information. At the same time, they are gaining valuable 21st century skills that will be beneficial throughout their lives and careers.

Next Steps for Year 5 Families of 2015
I would like to thank the Year 4 parents who joined us in our recent discussions for the support you are showing for your children and the learning and teaching initiatives of the school. A reminder that no paper work is required from Year 4 parents at this stage. We will organise agreement and hand-over paper work at our next session together at school on Monday 2 February at 2.00pm.

Uniforms
It is pleasing to see so many children wearing the school uniform with pride. Should your child not be able to wear the correct uniform, a note of explanation should be sent along to school with your child. A reminder that the shoes worn with the school uniform should be black with navy coloured socks. White sports shoes should be worn on days when the class is wearing the sports uniform, however the socks worn with them must cover the ankles.

Stop, Drop and Go Zone – Before School
A big thank you to families for showing patience and common sense in our pick-up and drop off areas before and after school. A reminder for parents that for the Stop, Drop and Go Zone on Collings Street we ask that only the first two cars load or unload at a time in front of our covered waiting area. Subsequent cars are asked to wait and move to the top of the line once the cars unloading have left. Ideally parents will remain inside the car to allow the line of cars to keep flowing. At the front of the school each morning in Alexandra Street, we use a Drop Off point a few car lengths past the school driveway. Only the first three cars are to unload. We appreciate your consideration of other families and your help in keeping these areas safe for children.

All the best for the week ahead.

Damien Sullivan

Stairs to Years 5, 6 and 7 Classrooms and OSHC
Please note the stairs from Collings Street leading to OSHC and the Years 5, 6 and 7 classrooms will be closed permanently from this Thursday, 27 November.

Access to these rooms will be available from Collings Street stairs which lead to the Year 4 classrooms and from Victoria Street.

Sorry for any inconvenience this may cause.

Sports News
Sts Peter and Paul’s has had a great week of swimming!

Congratulations to all our Year 1, 2 and 3 swimmers who had a happy day at the Junior Demonstration event held last Wednesday. Thank you to the parents and friends who joined us on the day to watch their child/ren splash their way in each event. Thank you to Vicki & Robert of Lorrimers Swim School, for their support and St Oliver Plunkett Pool for the use of the facilities. After a lot of relay action from the juniors and then the House Captains the Championships trophy point results are as follows:

Year 1 Champions: Concannon
Year 2 Champions: Concannon
Year 3 Champions: O’Keeffe
Senior Champions: Concannon

Overall results –
Champions, Concannon on 235 points,
Second to O’Keeffe on 213 points,
Third to Ryan on 176 points, and
Fourth to O’Brien on 174 points.
Well done to all our Junior Swimmers!

2014 QLD Primary Schools Invitational Relay Championships
By Friday last week the senior swimmers were looking forward to a great event at Chandler in the QLD State Invitational Swimming Relays. Thank you to the swimmers and their parents for such a happy (and very late) night of team spirit and support for our students. Thank you to Mrs Monckton for her support as our Official Timekeeper. I trust your socks didn’t get too wet on pool deck! Sr Ann-Maree arrived just in time to see our 2 Medley Relay teams battle the competition in the water in the FINAL of their events. As both teams bettered their qualifying time we were especially in awe as our juniors swam as a “team” in the big pool for the first time. (Jake even commented that it felt like swimming 100m in the long course pool!) Well done to our Junior Medley finalists, Molly O’Farrell, Jake Gavranic, Jessica Walduck and Jedda Hawker.

Our Freestyle teams also bettered their qualifying times making a successful night all round. Congratulations to the Junior Girls, Ella Monckton, Jedda Hawker, Emma Bible and Tiana Smith on their follow up swim in the finals.

As the third team of 4 started their march out to their finals we were all on such a high enjoying the completion. The night simply got better with the race and then presentation at the very end of the night to the newly crowned Queensland Champion Senior Mixed Medley Relay team of Jorjia Rogers, Amelia Harmey, Grace Dillon and Will Spencer. Congratulations Team Sts Peter & Paul’s! Perhaps chatting to our lane timer, local “Swimming Legend” Hayley Lewis was the best part of the night for Amelia.

Thank you for your support
As the year comes to a close I wish to thank all the parents and friends who have supported our events this year. We have culminated 208 students representing our school in events for Lytton District, Met East and QLD State School Sport. Our students also participated in Catholic School’s Invitational events and Rep Carnivals. This was not possible without the support of our 2014 House Captains. Best wishes to all our leaving students, I hope to see you at further Lytton Events, especially the 12 years olds in 2015. Stay tuned at your new school for details regarding 2015 sport opportunities. I will miss my team of house captains as they have worked VERY hard on many projects this year and without their help I would still be penning the 2014 House War Cries! Many thanks to the staff and students for their support of our school sports program. Your time and input is greatly appreciated. Thank you to Sr Ann-Maree and Mr Sullivan for their encouragement of my innermost passion - FUN, FITNESS and Sts Peter & Paul’s Team Spirit.

Merry Christmas to you all. I wish you a happy holiday filled with healthy relaxation with your family.

Yours in Sport
Mrs Lyndall Conaghan

St Vincent De Paul Christmas Hamper Appeal

*****Last Week to donate – all items due by this Friday*****

The Year 6/7 Care and Concern Committee has been responsible for numerous projects throughout the year. The final activity for 2014 in which we are involved, is the St Vincent de Paul Christmas Hamper Appeal. We are supporting the St Vincent de Paul group in the Parish by asking for donations of non-perishable food and other items which will be included in Christmas Hampers. These hampers will then be given to other families in our local area that are less fortunate than us.
It would be fantastic if each student could bring in a donation of the food/item that is listed for their year level (see Mr Schostakowski’s section in the newsletter). All these donations will be hugely appreciated. Please put these food/items in the box in your classroom with ‘St Vincent de Paul Christmas Hamper Appeal’ marked on it. All donations are due by Friday the 28th of November. Be sure to get all your donations in by then!

Garage Sale
The annual Garage Sale on behalf of the St Francis Orphanage in Sri Lanka raised $1,100. A big THANK YOU to all parents and other supporters who were able to help the children and we hope to see you again next year.

Crayon and Stationery Collection and Donation – Thankyou!!
The students in the Year 6/7 Care and Concern group would like to thank the community of Sts Peter and Paul’s school for all the items donated during the recent Crayon and Stationery Collection and Donation Project.
We would also like to thank Mr Brendan Gerard, Mrs Lynn Kenna and Sr. Mary Randle who will be attending the school assembly tomorrow on behalf of the three places to which we are donating the stationery.
Mr Gerard is the Deputy Principal at St Brendan’s School Moorooka. The stationery donated to this school, will go to the learning support area. Mrs Lynn Kenna is a volunteer at Centacare Community Connections at Cannon Hill. At this Centre there is a playgroup where both children and their parents can meet and make new friends. Many of the people that attend this centre are new arrivals in Australia. Sr Mary Randle is representing Sr Kakare, the Good Samaritan Sister, who manages the Early Childhood Centre in Kiribati.
We hope that all our stationery donations will make the children who attend these places smile 😊
We would also like to thank Mrs Phillips, Mrs Restall and Mrs Simmons. These are mothers from the Sts Peter and Paul’s P&F Care and Concern group who gave their time to bundle and package all the stationery into the boxes. Mrs Robinson also offered her time.
A BIG THANK YOU again for your generosity during this project.
By Freya Dean, 6 Green (and Mrs Megan Mobbsby) on behalf of the Year 6/7 Care and Concern Committee.

End of Year Concert 2014

Rehearsals are well underway for this year’s end of year concert;
“Sound Advice”

The concert will take place on **Thursday 27 November** in the Sts Peter and Paul’s Good Samaritan Hall, commencing at 6.30pm. All students from Years 1-7 are participating in the concert and are expected to attend. We do not expect parents to go to any great expense for a costume for the end of year concert, but we have a few suggestions for colours etc to fit with each year levels’ theme.

**Year 1**: Pyjamas! (Cool and comfortable) joggers and socks probably safer than slippers. Girls’ hair – high ponytail.

**Year 2**: Yellow and White. Simple as that. Any combos any patterns (spots, stripes, shorts, skirts, t-shirts, dresses) but try to stick to yellow and white. Joggers and socks. Girls hair – plaits.

**Year 3**: Black base then add in a bit of animal print. Black joggers (black dancing shoes are fine) and socks. Girls’ hair – high ponytail teased.

**Year 4**: School Bottoms, plain white t-shirt, bright/sparkly tie (class coordinators will forward further information). Girls’ hair – high “pigtails”.

**Year 5**: 80’s aerobics chic! Inspirational t-shirts/fluoro brights/leg warmers/headbands/crazy hair.

**Year 6 & 7**: Drama blacks. Students own ideas.
