Advent Begins
The season of Advent begins next Sunday, the time in the Church year leading up to Christmas, the celebration of the birth of Jesus, and the beginning of the new liturgical year. In our complicated and busy lives this wonderful season of reflection and anticipation runs the risk of being lost to us. We become caught up in the mad rush which accompanies the end of the school year and in the festivities of a Christmas yet to come.

I think Advent is a beautiful and reflective season – focused on waiting for the child Jesus and celebrating the Incarnation of God-with-us in human form. The scripture readings during Advent encourage us to “stay awake”, “watch” and “prepare”. There is a sense of great anticipation and hope.

When Advent begins on Sunday the first of the Advent candles will be lit. When this candle is lit we are saying, in the face of all around us which suggests the contrary, that God is alive and with us. I hope in the next few weeks you can find the time to immerse yourselves in the beautiful scripture readings and prayers of the Advent season.

Peace and Best Wishes

APRE News – Mr Brendan Schostakowski

CRAZY HAIR DAY – TUESDAY 3 DECEMBER
Sr Mary Randle has asked for our help to support the work of the Good Samaritan Sisters in Kiribati, an island nation in the central tropical Pacific Ocean. Next Tuesday, 3 December we are having a Crazy Hair Day. Students may come to school with their hair coloured or with different coloured ribbons in their hair. A gold coin donation will assist the Good Samaritan Sisters fund a kindergarten teacher in Kiribati. Students from the Care and Concern committee will be visiting classes this week to promote this worthy cause.

THE GOOD SAMARITANS IN KIRIBATI
In the late 1980s, Bishop Paul Mea was persistent in his invitation to the Good Samaritan Sisters to help with the education and missionary needs of the people of his diocese. In 1991, Good Samaritan Sister, Veronica McCluskie, was appointed to the staff of the Kiribati Pastoral Institute. She was soon joined by Sister Veronica Griffith. The ‘two Veronica’s’ planted the Good Samaritan way of life in this island nation. There are now two Good Samaritan communities in Kiribati engaged in a variety of ministries: primary education, youth ministry, and working with people with disabilities and mental illness.

ST VINCENT DE PAUL CHRISTMAS HAMPER APPEAL
Students are asked to continue bringing in to class items of non-perishable foods to support our parish’s St Vincent de Paul Conference Christmas Hamper Appeal.

The chart lists the specific items we are requesting of each year level.

This is the final week of collections. Thank you for your excellent response.

YEAR 7 LITURGY OF THANKSGIVING
Over the last few weeks the Year 7 students, with their teachers, have been busy preparing for their Graduation celebrations. The Year 7 students will be celebrating with a special Liturgy on Wednesday 4 December beginning at 6.00pm in the Church.

Please keep these students in your prayers as they come to the end of their Primary schooling and look forward to new challenges that await them in High School. The theme chosen for this year’s celebration is “In Peace and Friendship”.

END OF YEAR SCHOOL MASS
Our final whole school Mass for the year will be celebrated on Friday 6 December commencing at 9.30am in the Church. All family members are welcome to join us as we give thanks for the many blessings we have received throughout 2013.
THE SEASON OF ADVENT
The Season of Advent begins this Sunday 1 December. The season of Advent is about devout and joyful expectation. It is the beginning of a new Liturgical Year and begins the journey to Christmas and ultimately to Easter.

During this “Season of Waiting”, waiting for the coming of Jesus at Christmas, there are four themes with which we can readily associate – hope, light, joy and love.

**Hope:** Advent is the time when we prepare our hearts for the coming of Jesus; we wait in joyful hope for Christmas.

**Light:** During Advent we keep our focus on the light of Jesus. He is the reason we celebrate this holy season. We walk in his light.

**Joy:** Everywhere we see signs of people getting ready to celebrate Christmas. Trees are decorated, gifts are wrapped and cards are sent. Let us remember that we do these things because we are filled with joy at the coming of Jesus into the world.

**Love:** We are asked to open our hearts and our lives to the love of God. We are called to be a community bonded together by God’s love for us and by our love for one another.

Wishing you God’s blessings for the coming week.

**APA News – Mr Damien Sullivan**

**1 to 1 Laptop Program Parent Night**
Early in November an Information Evening was held for the parents of our Year 5 students for 2014 to outline the 1 to 1 Student Laptop Program. In recent years, the school has committed to enhancing teaching and learning through integrating Information and Communication Technologies (ICTs) at Sts Peter & Paul’s via an action plan that accompanies our annual School Renewal Plan. In 2011, the school saw the direction education was moving towards and committed to the significant improvement of infrastructure by upgrading our extensive wireless network system to cater for the potential increase in wireless devices accessing the school network. Significant funds have and will continue to be used to fund:

- Teacher Professional Development
- Support Teaching Personnel
- Further deployments of various devices for student use. Our goal is to transition from occasional, supplemental use to more frequent, meaningful use by students
- Devices for all teachers
- Other ICLT resources (Data Projectors, Software, iPads, Digital Cameras, etc)
- Technical Support Structures

Since 2012 a significant focus for us has been the 1 to 1 Laptop Program to our upper year level classes. 1 to 1 learning provides every student access to his or her own laptop computer in a wireless environment allowing students to learn at their own pace and ability levels. 1 to 1 initiatives have gained momentum, worldwide, and are increasingly seen as a key to transforming education and better preparing students to succeed in a global world. This year our Year 5 and 6 students have successfully used their laptops to create, do research, homework, problem solve, team projects, collaborative tasks and day to day subject work. At the same time, they are gaining valuable 21st century skills that will be beneficial throughout their lives and careers.

I would like to thank the Year 4 parents who joined us in our recent discussions for the support you are showing for your children and the learning and teaching initiatives of the school.

**1 to 1 Laptop Additional Information Session**
For those parents of our Year 5 students for 2014 who did not attend, an additional information session will now be offered next Tuesday 3 December at 2.00pm to go through the important details from this program that families need to be aware of for next year – including the financial commitments. These families will receive a letter regarding this session by tomorrow.

**Stop, Drop and Go Zone – Before School**
A big thank you to families for showing patience and common sense in our pick-up and drop off areas before and after school. A reminder for parents that for the Stop, Drop and Go Zone on Collings Street we ask that only the first two cars load or unload at a time in front of our new covered waiting area. Subsequent cars are asked to wait and move to the top of the line once the cars unloading have left. Ideally parents will remain inside the car to allow the line of cars to keep flowing. At the front of the school each morning in Alexandra Street, we use a Drop Off point a few car lengths past the school driveway. Only the first three cars are to unload. We appreciate your consideration of other families and your help in keeping these areas safe for children.
**Bee Champions**

Congratulations to Josie (2B), Kallum (3B), Alex (7G) and Tom (3R) who were drawn out of the box as Bee Champions last week. They have been helping our school to be a happy and safe place for students.

*All the best for the week ahead,*

**Library News**

The library is continuing its stocktake of all its resources. If your child has any items to return to the library, please drop them off ASAP. If any parents have time available to help with the stocktake, please stop by the library. It isn't hard work, just a bit tedious. Morning tea is provided.

Year 6/7 Book Club students completed their last book discussions for the year. This month’s title; A Fortunate Life and The Graveyard were both well received. We invite the current Year 5 and Year 6 students to think about joining in on the discussions next year. We are planning a web-based book club for 2014. We’ll keep you posted.

The Scholastic Warehouse will have its final book sale of the year this week on 27 November 8am – 5pm and 28 November 8am – 7pm. The books will be 40 – 90% off original price. The Scholastic Warehouse is located at Unit 2, 350 Lytton Rd, Morningside.

We encourage all students to continue reading at least 15 minutes each day. The Summer Reading Program sponsored by The State Library of Queensland and The Australian Library and Information Association (ALIA) officially begins on 2 December. Our library website will have the link for your child to register. Click onto the Summer Reading Program website and put on your detective caps; get ready for a summer of mystery and investigations. This reading program will run from 2 December to 31 January. Happy Reading!

Don’t forget to visit the Sts Peter and Paul’s Library website over the summer for links to online reading, great authors, student activities for cyber-safety and child-friendly search engines, as well as the link for Worldbookonline (stspp with a password of bulimba) which also features reading and game activities.

_Happy Reading,_  
Mrs Ballentine, Mrs Wilson, Mrs Brooks and Mrs McEniery

**P&F News**

**Mark your diaries for the 2014 Fete!**  
Exciting new! The 2014 Fete will be held on Saturday 17 May 2014. Next year we will trial a Saturday instead of Sunday, and a later start and finish time. Both lunch and dinner will be available and everyone can enjoy themselves in the bar during the evening. More information to follow. The fete convenors for 2014 are Rebecca Lawrence, Leonie Flynn and Emma Rees.

**Crazy Hair Day:** Come to school on Tuesday 3rd December in your craziest hair and bring a gold coin donation in support of funding a kindergarten teacher with the Good Samaritan Sisters in Kiribati.

**Outcomes of the 2013 AGM:** The P&F AGM was held on Wednesday 20 November 2013. The minutes of the AGM and the ordinary meeting that followed will soon be available on the school website.

Following the P&F AGM last week, a few of our P&F executive / sub-committee coordinators have announced their retirement from the P&F. Our Treasurer, Wayne Shearer and Social Committee coordinator Jill Hrstich well be stepping down, as well as our Care and Concern Committee coordinator Bronwyn Wolski. Wayne, Jill and Bronwyn have all worked very hard in their respective roles to keep the P&F functioning, and the P&F and school community are very grateful for their generosity with their time and energy over the years.

At the AGM the following people were appointed for roles in 2014:

<table>
<thead>
<tr>
<th>Role</th>
<th>Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>President</td>
<td>Terry Shaw</td>
</tr>
<tr>
<td>Vice-President</td>
<td>Peter Willcox</td>
</tr>
<tr>
<td>Secretary</td>
<td>Leonie Flynn</td>
</tr>
</tbody>
</table>
We have a number of vacancies to fill for 2014. Please consider nominating for one of the positions — we can’t function without your support. Participating in the P&F is a very rewarding experience that is highly valued by the school community. Positions details are below. Expressions of interest for any position can be emailed to the P&F Secretary Leonie Flynn on lkflynn@bigpond.net.au:

**Social Committee Coordinator**: seeking someone to lead a team of very enthusiastic social committee members to organise P&F social events for 2014 (excluding the fete). Major events include: Welcome Back Day on the Green, School Disco and School Trivia Night. Please contact our retiring coordinator Jill Hrstich on 0431778513 or jill@fitmums.net if you would like to hear more about this position.

**Care & Concern Group Coordinator**: seeking someone to lead a team of committed and experienced volunteers to oversee the P&F social justice activities. These include the Grade 7 Student Care and Concern Group, Meals Register, Morning Tea and Parish Cake Stall team and other social justice activities from time to time. If you are interested in social justice issues and have any new ideas for how the P&F can expand its presence in this area, this is the role for you! Please contact our retiring coordinator Bron Wolski on 0414355356 or paulbron@optusnet.com.au if you would like to hear more about this position.

**P&F Storeroom quartermaster**: The P&F has a small store room inside the tuckshop that stores all of our perishable and non-perishable supplies used for fetes, dinners and social events. We have created a new role for 2014 for a “quartermaster” to take charge of the P&F Storeroom. This involves keeping track of the stock, being the “go to” person for permission to use supplies and coordinating clean ups. This is not a time consuming role but a very helpful one for the busy P&F executive and social committee.

**Sports News**

**Junior Swimming Carnival**: Hope to see you tomorrow, Wednesday 27 November for our Swimming Demonstration. A coffee van will be available for parents to access from 9am at St. Oliver Plunkett swimming pool. Our first events will splash in after 9.15am.

**Just a reminder** that the children are required to wear their togs to school underneath their named sports uniform but may wear a t-shirt in the colour of their sports house.

As you can imagine your children have been enjoying developing their swimming strokes appropriate to their skills and needs. Your child will be placed in events, taking into consideration the swimming instructor’s assessment and class teacher feedback as to which events are appropriate.

Using information, expertise and professional judgements of your student's swimming instructor the children may participate in the following events:
Year 3 may swim in 3 events (Freestyle, Backstroke and Breaststroke - with a few invited to swim the butterfly demonstrations), the Year 2 and 1 students may swim 2 events (with some invited to swim Breaststroke/ Butterfly.)

**All students will receive a Well Done Ribbon for their first swimming event. NO PLACES OR SCORES WILL BE RECORDED in the first four swimming sessions of the morning.**

**Please note - Lunch will only be available for order from the tuckshop**. Due to this being the second last Tuckshop day for the year, Chris Watt would greatly appreciate online orders prior to the day for ease of ordering.
