Principal's Message – Sr Ann-Maree Nicholls, sgs

Dear Parents, Caregivers and Children

Welcome to the 2015 academic school year. This year marks a new beginning for Primary schools as Prep – Year 6 schools with the Year 7 students transitioning into the secondary context. The demand for enrolment at the school has again been very high and with Year 7 leaving the primary school setting, our student population remains at 616. Therefore, we especially welcome to Sts Peter & Paul’s new families, new students and new staff – they will all provide fresh energy, enthusiasm and talent to our community. For our Year One children, this marks their entrance into the world of formal education, while for our new Prep students; it is their preparatory year for the world of schooling. The months ahead will see them all progress significantly especially in the areas of literacy and numeracy.

We welcome the following new staff to the school for 2015: Miss Libby Graham (Year 1), Mrs Reffeech Chalmers (Year 3), Mrs Emma Lewis (Year 3), Mrs Andrea Tynan (Prep Teacher Aide) and Mrs Annette Knott (Teacher Aide). Mrs Alayna Foster (Drama Teacher) is on Long Service Leave for the first eight weeks of this term, therefore, we welcome Mrs Megan Mobsby to this role. Congratulations to Sophie O’Meara who was married over the holidays and will now be known as Mrs Sophie Nicholson.

Opening School Mass  
All families are invited to attend the 2015 Opening School Mass which will be held on **Sunday, 8th February at 8.00am**. During the Mass the Year 6 students will be presented with their School Leadership badges. After the Mass a Morning Tea will be shared in the Parish Hall.  

Working Bee – Sunday, 8 February  
Following our Opening School Mass and Morning Tea with the Parish we have scheduled a Working Bee in order to attend to those extra jobs which need attention around the school and its grounds. Your assistance even for an hour on that day will be greatly appreciated. A BBQ lunch will also be provided.  

Parent Information Evening  
All parents are invited to attend our Parent Information Evening for Years 1 - 6 which is scheduled for **Tuesday, 10th February from 6.00pm – 7.30pm**. You are invited to gather on the Veranda of the Good Samaritan Hall at 6.00pm for wine and cheese which will be provided by the Parents & Friends Association. At 6.30pm you will then be invited to your child/ren’s classroom. The evening is not a Parent/Teacher interview but a time for parents to receive important information relating to classroom procedures together with a brief overview of the curriculum. At 7.00pm teachers at each grade level will repeat their presentation. The evening will conclude at 7.30pm. This format will allow parents to meet/see all teachers; it only requires parents to be available on one evening and it will provide an overview of the curriculum for each grade level. The evening is designed for parents only. We look forward to seeing all families at our Parent Information evening.  

School Visitors  
All parents are reminded that when visiting the school during school hours they must report to the school office and sign in and then sign out when leaving. This procedure is in place for the safety of all on the school grounds.  

Mobile Phones and Ipods  
Parents and students are reminded that if students bring mobile phones and/or ipods to school, they must hand them in to the office when they arrive at school and collect them when leaving in the afternoon. Thank you.  

Parking  
I would like to remind families that SCHOOL PARKING IS NOT PERMITTED along the driveway in front of the Church and beside the Parish Pastoral Centre. Also, this area should not be used as a pick up or drop off zone for students coming or going home from school. Parking in this area is strictly for Parish use only. Thank you for your continued support as we strive to ensure a safe environment for our school community.
As we begin the new school year, let us pray that all school students may learn to seek God in all people and all events. God of new beginnings, may this year which we dedicate to you, bring us closer to you and to each other. We ask this through Christ our Lord. Amen.

Peace and Best Wishes
Sr Ann-Maree Nicholls, sgs

Today O Christ, and every day, be in my mind and in my thinking, be in my heart and in my feeling, be in my faith and my belief.

Wishing you all a wonderful start to the year.
Brendan

APA News...Mr Damien Sullivan
Welcome back to all families. We hope you have had a wonderful break from school and are looking forward to an exciting new school year. A very warm welcome to all of the new families who have joined the Sts Peter and Paul’s school community in 2015. We look forward to getting to know you well. I’m sure there will be some great stories that will go home today to share with mums and dads.

Supervision
Our teachers will help children settle quickly into their school day routines. Please remember that Prep children and Year 1 gather in the morning before school in the adventure playground. Other students assemble in the undercroft. Commencing next week, the library will also open every morning before school. Supervision of these areas begins each day at 8.20am and we strongly discourage students from arriving at school before this time.

Drop Down and Pick Up Zones: Parents are reminded that Collings Street and Alexandra Street are pick up and drop off zones only. In the mornings, if you need more than about 30 seconds to unload children and bags, please continue along past the drop off area to a more suitable place for taking the extra time. After school, if your child is not waiting on the footpath ready
to be collected when you arrive at the pick up area, we ask you to please continue on, drive around the block and join the queue again. This allows the traffic to keep flowing and helps avoid long queues. Teachers are on duty on Collings and Alexandra Streets after school until 3:20pm.

Swimming
Swimming will commence next week for children in Years 3 to 6. Years 3, 5 and 6 will have their first lesson next Monday 2 February and Year 4 students will go to swimming on Thursdays commencing 5 February. Students travel by bus to the Churche swimming pool at East Brisbane for their swimming sessions which will be for 45 minutes for the 6 week program. A note with further information and a permission slip will be sent home by tomorrow.

Public Transport Arrangements
Many children travel to and from school by means of public transport (eg: buses). If your child is travelling this way we ask that you complete a form available at the office which details these arrangements. Some children may need to be dismissed from class a few minutes early each afternoon to ensure they catch their bus. Children who leave school early are required to sign out at the office before leaving the school grounds. If your child needs to leave school before 3:00pm on a regular basis to catch public transport, the school office requires these details in writing along with your written permission allowing your child to leave early. We would also appreciate you detailing any alternate arrangements or contact details should your child miss their bus for any reason.

Student Medication
Sts Peter and Paul's, like all schools, has important guidelines for administering any medication to students. If your child has to take medication at school these procedures must be followed:
Medication must be in its original packaging and have a label with the pharmacist's directions; Written permission from the parents must be included with the medication; Medication must be left at the school office and not given to the child or class teacher to look after. One exception to this is where a student carries a Ventolin or similar asthma puffer with them.

Sick Days
If your child will be away from school a phone call at the start of the school day would be greatly appreciated. This information can then be passed onto the class teacher. If you know the day before that your child will be away because of an appointment, etc, a written note for the class teacher would be very helpful.

All the best for the week ahead.

Damien Sullivan

Stairs to Years 5, 6 and 7 Classrooms and OSHC
Please note the stairs from Collings Street leading to OSHC and the Years 5, 6 and 7 classrooms are closed permanently.

Access to these rooms will be available from Collings Street stairs which lead to the Year 4 classrooms and from Victoria Street.

Sorry for any inconvenience this may cause.

Sports News
Welcome back to PE and Sport for 2015. I am looking forward to teaching PE lessons beginning in Week 2.

Classes will be held on Tuesday, Wednesday or Thursday. Your class teachers will advise your child of their specific day. Please don't forget to wear your full sports uniform. It is advised to put on sunscreen before school and to bring your water bottle when visiting me for PE this year.

We are all looking forward to using the Good Samaritan Hall and also the school oval and hand ball courts (weather permitting).

Individual Team School Sport Representation for 2015
Sts Peter and Paul's School is a participating school in our local sporting Lytton District 10 – 12 years Sports Association providing a pathway towards the Queensland State Championships representation. Our school is eligible to select representatives in various sports throughout the year that are catered for in this sporting program. We are also joining the Catholic Primary Schools Sports Association in our Southside Region (Zone 2) in 2015.

Further information is posted on the Sports notice board throughout the year as it becomes available and advertised when required in the school newsletter. Students are to adhere to the varying nomination procedures as advertised as cut off times for all sports are prescriptive.

Please contact the school office to request further information from myself or Damien Sullivan if required.

Lytton District Swimming Nominations – due Wednesday 4 February
Nominations are being considered for future representation for Swimming at the Lytton District Swimming Trials for students aged 10 – 12 Years (DOB 2003 – 2005). These trials will be held on 13 February 2015 at Moreton Bay College. If you are interested in nominating please submit your child’s signed swimming times where applicable for the events available. These times are to be signed by your swimming coach and taken from the 2014-2015 summer season. Please note that submitting these times does not ensure entry to the carnival as students must have achieved the qualifying times or better to be eligible for school nomination.

Lytton Swimming nomination paperwork is available from Mrs Conaghan after my class visit this week or from the school office. Please submit these before the closing date Wednesday 4 February. If successful, a final notification will be distributed on Thursday 5 February advising of details regarding the trial.

Yours in sport
Mrs Conaghan, PE and Sport Coordinator

Mater
Exceptional People. Exceptional Care.

Parent Aide Unit Volunteers Required

Parent Aides are volunteers who assist families experiencing difficulties in early parenting.

For many years, Parent Aides from Mater have helped hundreds of families by offering much needed personal support and encouragement in parenting.

Parents often worry that the difficulties they face could adversely affect their pregnancy or new baby or toddler. They might find it useful to meet another person who is experienced with children. They may just want to talk, regain their confidence in parenting or seek answers to questions they might have.

Parent Aides are often able to fulfil this important role.

How do Parent Aides help?

Parent Aides can help in many ways, for example:
- Visiting parents at home or meeting them elsewhere such as a shopping centre
- Being contactable personally by phone
- Supporting parent’s efforts to ‘bond’ with and develop positive relationships with their young children
- Helping parents develop an understanding of their child’s developmental needs
- Offering suggestions, parenting tips and most importantly, encouragement
- Providing information on minimising the risks and hazards to children around the home
- Helping parents have their rights or parenting entitlements recognised and, if necessary, advocating on their behalf
- Providing information about community services that support parenting
- Accompanying and if necessary, driving parents to medical and other appointments and helping look after their children on such occasions

Parent Aides are also volunteers with:
- good parenting experience
- good understanding of the demands involved in parenting babies and young children
- an empathetic, caring and non-judgemental manner
- an understanding of children’s needs and age appropriate behaviours
- good communication skills
- time available to support other parents

The Unit will be holding information sessions on Monday 23rd and Friday 27th February from 9:30 – 10:30am.

Training will commence the following week on Monday 2nd March and continue on Monday 9th and 16th and conclude on Friday 23rd March. All sessions will be held from 9:30am to 2:30pm on each of these days.

Morning tea and lunch will be provided together with free parking.

If you think you may have the experience and time to become a Mater Parent Aide and would like to discuss this further, we would be pleased to discuss the valuable work and satisfaction that comes from being a Mater Parent Aide.
