Principal’s Message – Sr Ann-Maree Nicholls, sgs

Dear Parents, Caregivers and Children

We look forward this week to the coming of the Holy Spirit at Pentecost. The Spirit will draw unity out of our many diverse gifts. Let us pray that all the followers of Jesus may be one in love. God of harmony and love, gather people of every race, culture, language and Christian tradition into one family of unity and peace. We ask this through Christ our Lord. Amen.

Edutech Congress

A number of staff will be attending this week’s EduTech Congress in Brisbane over the coming days. World renowned educators, Ken Robinson, Alan November and others will deliver keynote addresses and master classes exploring the increasing use of technology in our classrooms.

Petition for Flashing School Lights on Riding Road

An online petition is available at [http://www.parliament.qld.gov.au/work-of-assembly/petitions/e-petition?PetNum=2268](http://www.parliament.qld.gov.au/work-of-assembly/petitions/e-petition?PetNum=2268) to prioritise the installation of school flashing lights along Riding Road at Morningside State School, Saints Peter and Paul’s School and Bulimba State School. Our understanding and belief is that these signs will ensure an extra safety boost around school zones and remind motorists to slow down in order to better protect our children. A copy of this petition is also available for you to sign in the School Office. Please take the time to sign this petition which is sponsored by State Member for Bulimba Aaron Dillaway MP.

SACRAMENT OF RECONCILIATION - YEAR 5 GREEN

This Friday 6 June Year 5 Green will celebrate the Sacrament of Reconciliation with Fr Tom.

ROSIES WINTER APPEAL

With winter fast approaching and the nights getting colder, spare a thought for those in our city who are most at risk. These are “Homeless” in our midst. Their bed could well be a park bench tonight. For them the nights will be particularly cold.

The Sts Peter and Paul’s Student Care and Concern Group is asking for your help. They want to collect the following items to provide Rosies with some basic resources to help them fulfill their mission of working with the homeless:

*Tea bags, coffee, sugar, Milo, packets of cup-a-soup, etc.* (Please refer to the Care and Concern article in this newsletter for further details.)

From now till the end of this school term please set aside some of these items and place them in the box/basket in your child’s classroom. These will be collected and forwarded to Rosies.

This is another example of the Sts Peter and Paul’s school community acting for justice by demonstrating a commitment to the poor and marginalized. Congratulations to our student Care and Concern group for promoting this activity and thank you in anticipation for your generosity in helping those in need in our local community.
THURSDAY 5 JUNE

Thanks to our bodies, God has joined us so closely to the world around us that we can feel the desertification of the soil almost as a physical ailment, and the extinction of a species as a painful disfigurement. Let us not leave in our wake a swath of destruction and death which will affect our own lives and those of future generations (215). Like Saint Francis of Assisi, we are called to watch over and protect the fragile world in which we all live (216).

Pope Francis, “Joy of the Gospel”.

The way we treat our planet today will determine how future generations of people and other living creatures enjoy this fragile planet as their home. Nature requires a very delicate balance for its survival. Let us maintain the balance by leaving a light footprint upon our earth. Let us protect our many species, our one planet and our one future!

God of Creation,
You bless us with the gifts of this wonderful world you have created.
Help us to remember that our earth is fragile and needs our care.
Make us people who respect and treasure
the preciousness of our natural environment
so that all can enjoy it today and into the future.

WEEK OF PRAYER FOR CHRISTIAN UNITY 1 – 8 June.
The theme for the week of prayer in 2014 is “Has Christ been divided?” (1 Cor 1:1-17).

Paul wrote to the divided community at Corinth with this challenging question: Is Christ divided? During this week we reflect on what Paul is saying. Christian communities share the Scriptures and the Sacraments of Baptism and Eucharist. Christians strive to show the love of Christ to those in need. However, there are differences in culture, tradition and doctrine. As Christians we need to find ways to build bridges through mutual understanding and the recognition of mutual gifts.

FEAST OF PENTECOST SUNDAY 8 JUNE
The Christian feast of Pentecost (meaning ‘fifty’ in Greek) marks the end of the Easter Season and is the name given to the Jewish feast of ‘Shavouth’ (meaning ‘weeks’) which was celebrated seven weeks (or fifty days) after the Passover. This Jewish feast, a harvest festival, also commemorated the giving of the Law to Moses on Mt Sinai.

The gospel account from John (John 20:19-23) tells a story of the presence and power of the Holy Spirit. It is a transformative power, unlocking doors, windows, hearts and minds.

The Christians saw Pentecost as the beginning of a great God-inspired sharing of the fruits of the Spirit with a very needy world. They saw it as the beginning of the church’s mission, as we still do. That mission continues to this day because God has not ceased to breathe the Holy Spirit into the Church. The party may be over but the work must now begin.

Archbishop Mark Coleridge: A Pentecost Letter to Young People (2013)

Jesus, Treasure of Hope,
we pray for faith and courage to continue your mission,
with the power and persuasion of the Holy Spirit. Amen

from Treasures of Hope: Year A

Wishing you God’s blessings for the coming week.
Brendan

APA News...Mr Damien Sullivan

Being safe after school
This is a little reminder for all families that the school grounds are not a place for playing after school. Most afternoons after school there are groups of students and toddlers who are using the undercroft and the adventure playground for playing while waiting for parents. We also ask students and their and brothers and sisters to stay away from the oval playground outside of school hours. Using the grounds for playing without teacher supervision is not permitted and we ask that after school students promptly make their way home.

Lost Property
With Brisbane’s winter days often warming up considerably by lunchtime it is understandable that students will sometimes want to take their jumpers off during play. It won’t take long before we have a pile of school jumpers without names marked on them. We urge parents to please ensure names are clearly marked on jumpers and hats and to discuss with their children the importance of being responsible for uniform items that they may take off during the school day. Students and/or parents should check the lost property box in the undercroft if something has been misplaced. When we have large numbers of school jumpers and hats in the lost property box it can take volunteer parents and office staff hours to sort through and return lost items to students.

Keep us up-to-date
Don’t forget if you change any of your contact details ie. address, work/home/mobile phone numbers, emergency contacts, email addresses YOU NEED TO LET THE SCHOOL OFFICE KNOW immediately. We love to be kept up-to-date too!
Safe and Considerate Parking

To help with traffic flow around the school, it is particularly important that parents refrain from parking too close to intersections around the school. In most cases yellow lines clearly mark these as no stopping areas. Parking too close to corners makes it dangerous for our school families trying to cross the road and makes things difficult for drivers turning at the surrounding intersections. We also ask drivers to please be considerate of our neighbours. At no point should cars stop to load/unload children or park in the driveways of our school neighbours. Local police check the parking around schools on a regular basis to help keep it safe.

Playground Champions

Congratulations to Georgia (4R), Coco (2B), Will (2B), and Tom (3B) who were drawn out of the box as Playground Champions at our last assembly. They have been helping our school to be a happy and safe place for students.

All the best for the week ahead.

Have a great week,

Damien Sullivan

Care and Concern
A little background...
The Care and Concern Group is one of the Sub–Committees within the Sts Peter and Paul’ s P & F. There are three main areas in which this group provides support :
• to school families in times of need, via the Care and Concern Meal Register (Contact: Amelia Robinson – alltherobinsons@gmail.com )
• for Sr. Mary Randle’s pastoral care work in the Parish, particularly with monies raised from the parish cake stalls held during the year and from other events, such as the Melbourne Cup function and the Parish Christmas Stall, these coming under the umbrella of the Care and Concern Parish Cake Stall/Morning Tea Register; (Contact: Maureen Coorey - coorey.family@optusnet.com.au / Brooke Power – brookepower5@bigpond.com )
• in making the children in the school community aware of social justice issues (on a local, national and international level) through participating in a variety of activities, which are planned and initiated by students in the Year 6/7 Care and Concern Group.
Please contact the ladies above if you would like to be involved in a particular Register listed. For general enquires/suggestions contact Megan Mobsby (mlmobsby@bne.catholic.edu.au) on behalf of the Care and Concern Committee.

‘Rosies – Friends on the Street’ Winter Collection
Rosies is a group of volunteers helping those less fortunate than us who live on the streets. Through using street vans, volunteers give food to the less fortunate in the community. These street vans operate five nights in a week in different places throughout Brisbane city and other parts of Queensland.

This year, we are asking the Sts Peter and Paul’s community, to donate the following items for those less fortunate:

- milo
- tins of coffee
- boxes of cup-a-soup sachets – No cans
- sugar
- cordial
- toothbrushes
- toothpaste
- second hand blankets and sleeping bags in good condition

These foods and other items will be collected on the 25th of June.

Every week 1500 people visit the Rosies street vans across Queensland. Most feel like they have no one left to rely on and others feel abandoned in the community. Your donations of these items above will make a big difference in the lives of these less fortunate people.

HONOURING THE PAST

This church of Sts Peter and Paul is almost 100 years old. At a time when new public buildings in our area were modest brick structures (gymnasiums, theatres and ferry terminals), the Catholic community built this magnificent structure in brick. For a working-class suburb, it was a huge effort to pay off the debt during the Depression and the War. But they didn’t because they were committed to the parish and its future.

Today, we are the beneficiaries of their generous foresight. For nine decades, children have been baptised here, couples in love have celebrated Matrimony here, families have been welcomed as they farewell and commended to God’s care those who have died. Today people are touched by God in this holy place.

GIVING TO THE FUTURE

However, the church is in a serious state of disrepair. The brickwork is crumbling, and needs re-pointing ($120,000). A new roof is needed to stop water pouring down the walls ($70,000). The peeling paint is peeling ($70,000). The lighting and sound system are at the end of their life ($25,000). The organ is brittle and fragile ($50,000). Sacristy need refurbishment ($75,000). This pile of debt is curing and reducing the original endowment ($120,000). All together, these and other church restoration costs add up to $1.4M. This church needs to stand ready to continue its role in people’s lives in the coming decades.

The project is not just about a building. It is about the life and worship of the parish community.

What will we build on to the next generation?

YOU CAN HELP

Thanks to the generous leadership of some people in the parish, we are already half way to our fundraising target of one million dollars. To reach our goal, we need 100 people who will contribute $1,000 a year for three years. Or 100 people who will contribute $300 a year for five years. Can we be as generous today as our founding families were 90 years ago?
