Dear Parents, Caregivers and Children

Student Validation Form
All families should have received a Student Validation Form for each child attending Sts Peter & Paul's School. These forms contain all the current details we have on file for your child / children. Would you please check this information and make any necessary changes. All forms need to be signed and returned to the School Office by Wednesday 19th February. Thank you for your assistance with these details.

Federal Government Funding and Curriculum Directions
At this point in time we await further information on the Federal Government’s funding directions. You would also be aware that the Federal Minister for Education, the Hon Christopher Pyne, has announced a review of the Australian Curriculum to be conducted by Professor Ken Wiltshire AO and Dr Kevin Donnelly. The timeframe for this review is short and public submissions are sought. We will continue to implement (plan, teach, assess and report) the Religion Curriculum and published Australian Curriculum areas (English, Mathematics, Science, History, Geography) and we will incorporate changes to the curriculum as they arise from the review.

Opening School Mass
All families are invited to attend the 2014 Opening School Mass which will be held on Sunday, 9th February at 8.00am. During the Mass the Years 6 and 7 students will be presented with their School Leadership badges. After the Mass a Morning Tea will be shared in the Parish Hall.

Working Bee – Sunday, 9 February
Following our Opening School Mass and Morning Tea with the Parish we have scheduled a Working Bee in order to attend to those extra jobs which need attention around the school and its grounds. Your assistance even for an hour on that day will be greatly appreciated. A BBQ lunch will also be provided.

Parent Information Evening
All parents are invited to attend our Parent Information Evening for Years 1 - 7 which is scheduled for Tuesday, 11th February from 6.00pm – 7.30pm. You are invited to gather on the Veranda of the Good Samaritan Hall at 6.00pm for wine and cheese which will be provided by the Parents & Friends Association. At 6.30pm you will then be invited to your child/ren’s classroom. The evening is not a Parent/Teacher interview but a time for parents to receive important information relating to classroom procedures together with a brief overview of the curriculum. At 7.00pm teachers at each grade level will repeat their presentation. The evening will conclude at 7.30pm. This format will allow parents to meet/see all teachers; it only requires parents to be available on one evening and it will provide an overview of the curriculum for each grade level. The evening is designed for parents only. We look forward to seeing all families at our Parent Information evening.

School Visitors
All parents are reminded that when visiting the school during school hours they must report to the school office and sign in and then sign out when leaving. This procedure is in place for the safety of all on the school grounds.

Parking
I would like to remind families that SCHOOL PARKING IS NOT PERMITTED along the driveway in front of the Church and beside the Parish Pastoral Centre. Also, this area should not be used as a pick up or drop off zone for students coming or going home from school. Parking in this area is strictly for Parish use only. Thank you for your continued support as we strive to ensure a safe environment for our school community.
Let us pray that we will recognise God’s presence in our world. God of love, open our eyes to see your hand at work in the splendours of creation, in the beauty of human life. We ask this through Christ our Lord. Amen.

Peace and Best Wishes
Sr Ann-Maree Nicholls, sgs,

**BUILDING COMMUNITY THROUGH TRUST**

One of the important characteristics of a healthy community is ‘trust’. If we are to have a healthy Christian community at Sts Peter and Paul’s, then we need to think about how we nurture and develop trust between its members. Within the school community we teach students that having respect for each other is a basic starting point if we are to develop trust.

At the start of the school year teachers work with their students to develop a classroom ‘code of behaviour’, or classroom rules, based on being respectful, being cooperative and being safe. These “3 Be’s” are based on the respect of self, others and the environment. We need to trust others in the community to play their part and carry out their responsibilities. When every one works together in this way, community happens.

**YOU ARE A MARVEL!**

Each second we live is a new and unique moment of the universe,
a moment that will never be again…
And what do we teach our children?
We teach them that two and two make four,
and that Paris is the capital of France.
When will we also teach them what they are?
We should say to each of them, “Do you know what you are? You are a marvel. You are unique. In all the years that have passed, there has never been another child like you. Your legs, your arms, your clever fingers, the way you move. You may become a Shakespeare, a Michelangelo, a Beethoven.
Mathletics in 2014 - Prep to Year 7
This year our students will again be signed up to become Mathletics users – for all classes from Prep to Year 7. This valuable resource is both fun and educational and assists students in the development of their mathematics skills. We value the role it plays in each student’s learning. The site may be accessed from home and is internet based. Last year many students loved working through the activities and teachers reported that student confidence, skills and mathematics knowledge and understanding developed through participation in the program. The cost of the program will be $20 for the year. (If you were to access this program as an individual from home it would cost $99, so the school price represents a significant discount.)

Hats before and after school
To help our students be sun safe our teachers have been making a point of letting classes know that all boys and girls must wear their hats when they are outside of the classroom. This includes lunch breaks even when students are heading out to the hall or the library and, very importantly, before and after school. As parents we ask for your help in insisting that your children wear their school hat as they leave for school or are dropped off in the morning, and for making their way home in the afternoon. We will speak about the importance of sun safety at our school assembly tomorrow morning.

Being safe before school
A reminder for parents and students that for safety reasons the play equipment in the adventure playground is for the use of our school students only, and under teacher supervision. There are quite a number of children, including toddlers, who appear to be waiting with parents in this area before school and at the end of the school day. Unfortunately, despite the obvious appeal, the school playground is not the right place for toddlers to be playing. Without proper supervision the risk of an accident is always there. We ask that parents who bring toddlers along before school and towards the end of the day, or to after school activities please keep a close eye on their children and remind them to stay off the play equipment. The playground is for the teacher supervised use of our school students and for children attending Outside School Hours Care. Our school students receive regular reminders that the playground equipment is out of bounds after school. Thanks for your cooperation with this safety request.

Dogs at school
Parents are reminded that for health and safety reasons dogs should not be brought into the school grounds. Some families are attempting to do the right thing by leaving them tied up near a school gate or at the church fence, however, this can still place our students at risk when they have to walk past dogs that are unattended. Please also keep in mind that not all of our students are dog lovers and the thought of walking close to a dog that may be bigger than you (even one on a leash with the owner) can be quite daunting for some.

Visitors Register
Parents who visit to assist at the school (eg. tuckshop, class reading, etc.) are required to drop into the office upon arriving at school to sign their name in the Visitors Register. A badge will be issued to be worn during your visit. This is a Workplace Health and Safety Requirement. We also ask that parents call back into the school office when they are leaving school to sign out and return their badge.

Sports News
Senior Swimming Carnival Yrs 4 – 7 Date Claimer: Thursday 20 March at Langlands Pool, Stones Corner. Remember to enjoy your swimming lessons in class time and work hard. Time trials will be held in classes closer to nominations in Week 6 and 7. Be ready for a fun filled day of racing and splashing house events. (Please note Yrs 1 – 3 carnival will be held in Term, date to be confirmed)

Lytton District Swimming Nominations:
Lytton District Swimming nominations close TOMORROW (Wednesday 5 February) for the carnival to be held next week at Moreton Bay College. Further information will be distributed to those swimmers who have submitted times and to the swimmers who will represent our school for 2014.

Swimming lessons
Swimming lessons started this week for Years 1 – 7 on either Monday or Thursday. Please check your class schedule for your child’s swimming day. Remember your swimmers, cap, towel and thongs for travel on the buses to Churchie School Pool and Lorimer’s swim school. Enjoy your lessons and we look forward to seeing you progress with this vital life skill.

Yours in Sport,

Mrs Lyndall Conaghan, PE and Sport
All students from Prep to Year 3 have a lesson of Music and a lesson of Drama each week. This year students from year 4 to year 7 will undertake an hour-long lesson in either music or drama during first term and alternate in second term. During these lessons, in the key learning area of *The Arts*, the students have an opportunity to create, present and reflect.

In music, students will compose, improvise, arrange, perform, conduct and respond to their own and others’ work. They will learn the elements of music including duration (rhythm and tempo), dynamics, form, pitch (melody and harmony), and timbre (sound texture and quality). They will apply this knowledge to the materials of music, including the voice, body, instruments and information and communication technology. They will learn forms of notation to record and communicate music and musical ideas.

During drama lessons students will learn to think, move, speak and act with confidence. They will have opportunities to create, rehearse, perform and respond using the elements and conventions of drama and emerging and existing technologies available to them. Students will participate in a variety of learning experiences, including: storytelling, role play, games, movement/dance, improvisation, the exploration of texts, script writing, performance and the viewing of live theatre.

We look forward to an exciting, inspiring and creative year with your children.

Alayna Foster (Drama Teacher) and Carolyn Burchill (Music Teacher)

**Instrumental Music Lesson**

We are very fortunate at Sts Peter and Paul's school to have excellent specialist music teachers come to the school to teach instrumental music lessons. Piano, trombone, saxophone, violin, guitar and drums are just a few of the instruments taught by qualified specialist teachers. We also have a successful school band.

If you would like to make an enquiry regarding your child receiving tuition with any of these teachers or to join the school band, please contact the school office for details or a flyer.

Piano - Debra Balmer; Woodwind/Brass/Percussion - Sandy Chou; Strings - Germaine Ng; Guitar - Ralph Premici; School Band - Sandy Chou.

**Library News**

Week 2 – Student library orientation
Week 3 – Student borrowing begins

Thursday, 13 February – Library Volunteer Working Bee
Wednesday, 14 February – Library Lovers Day!

Library orientation for classes has begun. Students are using QR codes to learn about the various areas in the library and their uses. Stop by the library and take a QR tour.

Library monitor sign up and training for Years 5, 6 and 7 students begins Wednesday at morning tea. We really appreciate and depend on these helpful students! The library has scheduled a parent and friends volunteer in-service and working bee Thursday, 13th February. We will review procedures for shelving, covering and repairing books. A new shipment of books arrived and we will be able to put our new skills into practice as we process these new resources. If you are able to help, please call the library, 3399 1281 or email your reservation. Refreshments will be provided.

Happy Reading,
Mrs Ballentine, Mrs Wilson, Mrs Brooks and Mrs McEniery

**Support-a-Reader**

Dear Parents, Friends, Grandparents and Members of the Sts Peter and Paul's Community,

As many of you are aware the school runs a Support-a-Reader Program for students in Years Two and Three. The aim of the program is to support children’s literacy acquisition by developing reading skills in the vital early years of learning. Ideally, individual children read with a supportive adult on a one to one basis during each of the three sessions. In order to do this successfully we would like twelve volunteers each afternoon. A training session will be held to familiarise tutors with the reading process and give them some strategies for assisting the students. It is very rewarding to see the children’s skills and confidence increase throughout the sessions and it is also a great way to meet other members of our community.

We would like to invite you to participate in the program by volunteering to assist in this extremely important area. We realise how busy life is now days and will happily accept offers on a weekly, fortnightly or monthly basis.
The program is held on **Tuesday, Wednesday and Thursday afternoons from 1.55 to 2.55pm**, and will be commencing on **Tuesday 11th February**. The success of the program relies upon our generous volunteers and we would like to invite any interested parents, friends, grandparents, and parishioners to participate. We welcome all offers of assistance and younger children are also welcome. If you would like to be part of this valuable program or require further information please contact Mary Clarris by phoning the school office on 33991281 during school hours. Alternatively email Mary on mclarris@bne.catholic.edu.au

Many thanks,
Mary Clarris and Julie Thompson

**Tuckshop News**

Thank you to everyone who has replied by email to my request for helpers however, we still need more volunteers. I will be contacting you shortly to organise the new roster. A copy of the current menu will be sent home with your child today.

**GET INVOLVED**

Our Tuckshop is run by volunteers and is a great place to catch up with others and to contribute to the School. Students love to see someone they know and love in the Tuckshop! Why not get together with a friend or put together a team from your class to come in once in a while? All offers welcome.

**HOW TO ORDER**

Tuckshop ordering is available online, and this is the **preferred method** of ordering, as it avoids the need to send money with children to school. This system allows parents or students to place orders from home or work at any time before the 9am cut-off in the morning. To get online simply go to [www.flexischools.com.au](http://www.flexischools.com.au) and click “Register Now”. Once registered, you can start placing orders immediately.

Alternatively, children bring their tuckshop orders written on a paper bag with their name, class, item and total costs.

Please check menu for availability of items at each break and please include the correct money. You must use a separate bag for each break.

Many thanks

**P & F News**

**Welcome Back to School Mass – Sunday 9 February**

Would Years 6 and 7 please bring a plate for the Welcome Back morning tea after Mass.

**Working Bee – Sunday 9 February**

*A working bee will be held at the school on Sunday 9 February from 9am. All parents welcome, no handyman experience necessary.* Some jobs to be completed include weeding gardens in the Prep area and around the school, topping up sandpits, minor classroom handyman jobs, repainting pick up line markings, placing old furniture in skip bins, playground maintenance and pruning branches around school grounds. *A BBQ lunch and refreshments will be provided.* If you can help on the day, please email terry.shaw@iinet.net.au.

**P&F Meeting – Wednesday 19 February – why not come along and see what we have planned for 2014?**

The first P&F meeting for the year will be held on Wednesday 19 February at 7.30pm in the staff room. Everyone is welcome. Attending P&F meetings is a great way to find out what is going on at school, have your say about what needs to be done and to participate in decision making about the expenditure of P&F funds. See you there!
Welcome back Day on the Green – Sunday 23 February

To celebrate the beginning of a new school year, please come and enjoy a relaxing afternoon of live jazz and a complimentary spit roast BBQ. Details on the attached flyer.

Vacancy – Care & Concern Committee (Social Justice Committee)

We are seeking someone to lead a team of committed and experienced volunteers to oversee the P&F social justice activities. These include the Year 7 Student Care and Concern Group, Meals Register, Morning Tea and Parish Cake Stall team and other social justice activities from time to time.

If you are interested in social justice issues and have any new ideas for how the P&F can expand its presence in this area, this is the role for you! Please contact our retiring coordinator Bron Wolski on 0414 355 356 or paulbron@optusnet.com.au if you would like to hear more about this position.

Expressions of interest for this position can be emailed to the P&F Secretary Leonie Flynn on lkflynn@bigpond.net.au.

In October last year our Japanese teacher, Mrs Helen Claes, was awarded an ELTF (Endeavour Language Teacher Fellowship) by the Australian Federal Government. The Fellowship allows the recipient to travel to the country of their target language to undertake a study programme whilst immersing themselves in the culture of that country.

Mrs Claes spent three weeks in January participating in the programme. The first two days were spent in Kyoto, a previous capital of Japan and a very beautiful city. These days were spent preparing for the study programme, listening to a lecture on Religion in Japan and sightseeing. The rest of the time was spent in Osaka attending Kansai University for intensive language classes, delving into the Japanese culture via some wonderful field trips and listening to guest speakers. Some free time was also available for more cultural immersion and ...shopping!

Various new resources will be coming to our classrooms during the year!

Left: Mrs Claes receiving her certificate of completion from Mr Eiji Yoshida, Vice President, Dean, Division of International Affairs, Kansai University.

Right: Ms Catherine Maria Taylor, Australian Consul-General, addressing the special guests and awardees.

Student Quiz: What Japanese word(s) do you recognise in the photos? Be the first to tell Sensei when she next comes to your class and there will be a sticker reward for you!
