Sts Peter & Paul’s School

Family Participation Form

Sts Peter & Paul’s School is a community based school and relies heavily on the parents and carers of the children to be involved in many aspects of the school.

In the past we have asked families in the school to fill out a family participation form as it enables the new P&F Committee to hit the ground running. **This year we are asking all parents to complete this form indicating an area of preference or advising us that they are unable to help.**

Please return the form to your eldest child’s class teacher by **Thursday the 3rd of December**. The information you provide will be forwarded to the relevant areas ready for the beginning of the 2010 school year.

Thank you for taking the time to become a vital member of the Sts Peter & Paul’s community and a partner in your child/children’s education.
