We Value each child as a learner

School Vision

St's Peter and Pauls is a faith community wherein each child loves God, themselves and others and reaches their full potential. Our students are encouraged to:

- · Make loving choices about a loving God
- Know that there is a way back if they make a mistake
- Know that reconciliation involves apologising to the hurt person but also to make some form of restitution towards that person
- Be thoughtful, caring and compassionate
- Be courteous, honest and respectful
- Be positive, joyful and confident

We value positive environments

LEARNING IS A LIFELONG PROCESS

The learning environment is supportive and productive and learning connects strongly with communities and practice beyond the classroom.

Students are challenged and supported to develop deep levels of thinking and application.
Assessment practices are an integral part of teaching and learning.

Students' social,
emotional and academic
needs, backgrounds,
perspectives and
interests are reflected in
the learning program
and their prior
knowledge is recognised
and valued.
